CLOSER LOOK: Windylea Farm colt makes his first career start for trainer George Weaver after a pair of four-furlong drills over the Saratoga training track turf last month; Weaver is just 2 for 16 over the last three years with 2YOs making their first start in a turf route and 4 for 27 overall over the last 30 days; out of a Raffie s Majesty mare that finished fifth on debut but broke her maiden in a similar spot over this turf course back in 2014; watching one.

\$75k Saratoga August 2023 purchase stretches out to two turns after chasing the eventual wire-to-wire winner around the Aqueduct turf in a common 6-furlong turf sprint on July 7; out of a Catiemus mare that won 2 of 3 on the lawn but who s progeny are a combined 0 for 6 on the sod thus far; expecting this Liam s Map colt to show speed from the inside under jockey Kendrick Carmouche and her pedigree does suggest the added ground could benefit.

Son of Twirling Candy commanded just \$55k back at the EAS October 2023 sale but took a lot of public support on debut in his runner-up effort over the Aqueduct lawn last month; remains on the turf despite being out of a Bernardini mare who never tried the grass and who s progeny thus far were a combined 0 for 9 on turf before this colt s first start; trainer Rudy Rodriguez is off to an extremely slow start to the summer and is just 1 for 56 in turf routes at Saratoga over the last three years; ran well on debut for a barn badly in need of a victory.

Qatar Racing colt ships north after chasing early and checking out of it midway through a 5-furlong open company MSW event over the Gulfstream Park slop back in late June; son of Bernardini is a half-brother to Graded On a Curve who won 8 of 25 and earne d \$345k on the turf, as well as two other siblings who won multiple races on the sod, so he has every right to move forward on the surface switch; trainer Jose D Angelo is 0 for 10 in turf routes at Saratoga over the last three years but had a runner fin ish third on Saturday; intriguing at the right price.

Son of Kitten's Joy stretches out to two turns after being sandwiched shortly after the break in his debut versus several of his today's rivals early last month at Aqueduct; Three Diamonds Farm colt took a good deal of support on debut going off at 5-1 for a barn that is just 2 for 40 over the last three years with 2YOs debuting in turf sprints; trainer Mike Maker adds the blinkers on a second-time starter going from sprint to route, a move he is 0 for 17 with over the last three years; the data says no but I am expecting a move forward nonetheless.

William Butler homebred tries two turns in his second career try after being squeezed back at the start and racing against the flow in his fourth place effort on debut at Aqueduct last month; out of an Exchange Rate mare that was winless in seven starts and who's first foal is 0 for 9; have to like this son of Demarchelier's ability to overcome adversity but I tend to tread lightly with runners that had trouble at the start on debut followed up by strong late runs from well off the pace because they of ten get over bet next out; far from impossible but prefer others.

Thomas Thienel homebred returns quickly after an off the pace fourth going 5.5-furlongs against similar last Wednesday for trainer Jeremiah Englehart; Englehart is 0 for 5 over the last five years with runners returning on 10 days rest or less, but five of them have hit the board; took a good deal of public support in that first start last week going off at 7-2 and was amongst a few runners that took advantage of a contentious early pace passing tiring rivals in the lane; tough task coming back this quickly but he must be doing well and the pedigree suggests he should relish the added ground.

The son of The Factor will try a route of ground for the first time if he draws in off the also-eligible list for veteran conditioner, Gary Contessa; Contessa picked up his first win of the summer at Saratoga on Friday when Play Free Bird sprung the minor upset in her first start in for a tag; out of a Courageous Cat mare who did all of her best running going two turns on the grass, so perhaps that brings some hope despite three poor efforts to start her career.

 \$360k Saratoga August 2023 purchase heads into his potential debut off a steady series of drills over the Saratoga training track dating back to late May for trainer Christophe Clement; this half-brother to first out winner Brattle House, is out of a Street Sense mare that won her first two starts for Clement, so there clearly is plenty of precocity on the dam side; an obvious major player if this gets moved off the grass for a barn that has had a ton of success in upstate New York but is off to a slow start to the meet.

CLOSER LOOK: Set the pace going 11fs in a G3 at DEL July 7 but couldn't keep up late, finishing 5th; at least the only time she went 12fs she won, and that was in a G3 at GP in the winter so there's some staying quality here; that DEL G3 was also just her 2nd start after a few months off so maybe she still needed the race; that said, this spot is as tough or tougher but she's got speed, with the rail and has shown she can carry it this far, and shown she can do so with Saez aboard, too.

Set the pace in the G2 New York but gave way readily ending up 10th of 13; that was a brutally tough spot, though this isn't much softer; has speed and the way she won the G3 Sheepshead Bay at 11fs shows she can carry it; some good races prior to that sh ow she's no need-the-lead type, too, which could help here as the rail filly is as quick or quicker; run just 6 times so there's still room for growth and she's worked well since that New York try.

That's a beast she ran 2nd to last time out in that DEL G3 July 7 and she more than held her own so no shame in that; that continues some superb form and she's proven going this far, too; was close early last time but remember the fractions were dawdlin g; more likely here she figures to sit farther back but that can still work as she's shown her late kick is pretty reliable; while she runs on any ground it looks as though this (turf) is her best game; smart work July 21 says she holds her edge.

Stole the G2 Flower Bowl here last summer when able to set a snail's pace and lead her rivals on a merry chase; pattern since is a tad worrisome as then came a dull 4th in the G3 Waya, 7 months on the bench, a modest return in a G3 at BAQ May 3 and now a nother nearly 3 months on the bench; at least you know Clement is good off the bench and apparently feels good enough about her to bring her back in a salty spot like this; but not only is she facing some toughies off a layoff she's doing so at a distance she's never tried so there are hurdles.

Made quite the impression last summer/fall when the Godolphin boys shipped her in from Europe and she won the G3 JC Oaks and G2 Sands Point; hasn't been seen since (almost 10 months) but she's been working steadily and certainly these connections know how to get a runner set off a long layoff; Prat developing quite the relationship with Godolphin (5 for last 7, 71%); likely will have no issue with the distance but it is a long layoff and she's facing some tough elders for the first time, most of whom are proven at this trip as well.

Showed her 12f ability when a game winner of a stakes at this trip at CD May 25; was fairly one-paced in an 11f G3 at DEL next July 7 when 4th but didn't run badly as her style was cramped considerably by a dawdling pace while she sat back; she really had no chance to close into those fractions; there appears to be some speed in here so the pace might be legitimate and can surely help her; facing some tough cookies and can't afford to again give them a headstart and first run in case the pace isn't in her favor.

5th in the brutally tough G1 New York here June 7; not only was that the deepest end of the pool, it might have been a tad short of her preferred trip; gets more ground here and she's not only 2 for 2 at this trip she won this race last year so she's proven; doesn't have to come from the clouds, either, so Irad can likely get her midpack while trying to move over and save ground until he hits the gas; her win in this last year wasn't some fluke, either, as she's run very well on this course. -Michael Hammersly
